PRESERVING VIET-MUONG CULTURE AND NATURE

LA FERME DU COLVERT has been actively working since 2004 as a social enterprise in training, creating jobs for local community in sustainable hospitality, all the while preserving Viet-Muong ethnic culture and nature, countering raw urbanization of Hanoi countryside. Therefore all guests contribute to our goals of en-

suring work for local young women, wives and mothers - while protecting a vast land with diversified fauna, flora for present, future generations. Our social projects are presented on various national and international media* - Courier du Vietnam, Vietnam VTV reports or travel TV and book documentaries "Partir autrement" on TV5 Monde to name a few!

* on lafermeducolvert.com

WE HAVE ACTIVITIES FOR ALL AGES AND TASTES

PETS ARE WELCOME, COME AND STAY WITH YOURS

LOCAL PRODUCE ORGANIC FARMING

Top Green Destination **LA FERME DU COLVERT** serves home-made sweet or savory dishes - including **yummy veggie/vegan recipes**, exclusively with **fresh local ingredients** from our and neighbours' family gardens, encouraging them to favor quality. We also actively collaborate with **international organizations like CIRAD** to grow grains for Muong black pigs to obtain high quality meat for our signature Brittany sausages among other deliciousness.

THANK YOU TO OUR GUESTS - PAST, PRESENT, FUTURE !
